Return Member Of Government To Ensure Riding's Attention, Liberal Candidate Urges Rally

Dr. Pruter Graham, Liberal candidate for this riding, told an important to the Liberal Party of Ontario earlier last week that it should "make sure a member of the government to ensure that each inch of federal responsibility is taken care of."

Dr. Graham said an example of what he referred to was the lack of help from the lieutenant governor. He declared that "the province is literally riddled with no stretch of the imagination can be made to do anything."

"Surely," continued Dr. Graham, "there is this and other things will be possible to have the very best possible representation and to elect a Liberal candidate as their member of the next Liberal government. They may be sure their members will receive the most careful attention they deserve."

To Liberal Party was held at Owen Sound, where Dr. Graham, from Hamilton and Miss Thompson, held in the interests of Dr. Graham, was presided by Bernard Brennan, a vice president of the Victoria-Hamilton-Ontario Liberal Association.

The candidate was introduced by Cliff Benson of Lenoireville, also a vice-president, the association, and other speakers included president Ray Webster, Little Brantford, and Dr. Graham, the Liberal candidate for this riding. Dr. Graham, the Liberal candidate for this riding, was introduced by Cliff Benson of Lenoireville, also a vice-president, the association, and other speakers included president Ray Webster, Little Brantford, and Dr. Graham, the Liberal candidate for this riding.

Dr. Graham told the meeting that Prime Minister (Laurel) had set out clearly on more than one occasion that "under our parliamentary system, the Executive Government is drawn from the majority party; the minority party have no share in the administration -- they are in fact as well as in name -- the Opposition." "The Opposition," he declared "has two duties and two aims -- (1)

point out errors or to suggest amendments to legislation, and (2) to propose themselves to take over the responsibilities of government if they can win no election."

Mayor Charles Lamb Leaves Liberal Ship, Walks PC Plank

Mayor Charles Lamb of Lindsay has left the Liberal ship. He has joined the Conservative plank, and at Friday afternoon's P.C. nomination meeting he pronounced, "to do what he can for this town."

Mayor Lamb in opening his address to the meeting in the Academy Theatre said he knew that those present were "wondering why I am here. I am here in great support of Clayton Hodgson."

Continuing Lamb said that in the whole 13 years of office Hodgson has done everything he could to help the town. "He did what he could for the town as I would do what I can for him," the Mayor stated, saying that Hodgson has made a name for himself both as a businessman and politician.

Mayor Lamb warned the voters not to go home from the meeting and do nothing else. "I surely had no election that way last year," he said he knew 100 people who had left Lindsay the day before the majority vote was taken. "I think I wouldn't need their vote."

Mayor Lamb said that "Clayton Hodgson has done a lot of things for me as Mayor of Lindsay and I wanted to do something for him -- that's all I want to do."

Mayor Denies Political Plunk Attracted Him

Sources close to the political ring in Lindsay are buzzing with speculation on Mayor Charles Lamb's shift of support from the Liberal to the Conservative camp.

Reported to have been a Liberal supporter, Mayor Lamb of Lindsay announced at Friday afternoon's Conservative convention that he was supporting C.W. Hodgson in this riding.

Immediately following his announcement reports began circulating that Mayor Lamb had left the Liberal ship and was supporting C.W. Hodgson in this riding.

Mayor Lamb said that "Clayton Hodgson has done a lot of things for me as Mayor of Lindsay and I wanted to do something for him -- that's all I want to do."

Credits Department For New Industry

Credit has been given some town for the past week to various people for the location in Lindsay of the Juvenile Furniture Manufacturing Co. Ltd. The firm is moving into the former plant of the Habeton Bros. firm on Wellington Street.

Mr. Lloyd Pood, president of Pood's Radio Ltd., said today that the plant credit is due to the Industrial Development Corporation, which is headed by Mr. Lloyd Pood. They were responsible for bringing the plant to Lindsay and only recently located the deal, he said.

SPEED THOSE MARKERS!

The numerous accidents which have occurred at the Cambridge cut-off corner on Highway 45, accounted for by the double fatality over the July 1st weekend, have brought pressure to bear on provincial authorities to have this area especially marked as a danger point. It is to be hoped that red tape will be slashed to a minimum and the signs put into position before another serious accident occurs.

The dangerous curve (or curves) in question have long been recognized as being extremely difficult to negotiate at any speed above 30 or 35 miles per hour but this recognition has only existed among local residents. For the traveller unfamiliar with their treacherous nature these curves have remained unmarked since the road was built a good many years ago. Isn't it a wonder that highway authorities haven't acted on this situation long before now? Signs of apathy on the part of highway officials under such conditions are the target of increasing criticism among residents of various parts of the province.

Others Say

HAIR THAT LIKES TO STAND UP

Printed barber-shop signs in Peterborough inform their patrons that hair cuts for men are 85 cents, for children 50 cents. Sitting in the chair under the letimerous process of being snipped, one sees also hand-written signs. "Men's Brush Cut, 1st, \$1.25." "Brush Cut, \$1.00." "Boys' Brush Cut 50c." "This gives one to think."

Is this a subtle appeal to snobbery? Wear a brush cut and show you are a man of substance able and willing to afford the higher price. Wear a cheap (1st) cut and you are just a run of the mill cut, or worse, a cheap-skate, fit only to sink down side streets with a common-garden cut. The thought of a hierarchy in hair cuts is disturbing. Is Canadian democracy losing its principles?

If the brush cut is a sign of social distinction and means, we are afraid that its aristocratic touch is extremely reactionary, reaching right back to the days when only that accident of nature called birth was the way to qualify for rank among the first families and of nobility, the days when a man could not put himself up by his bootstraps beyond the position in life to which God had been pleased to call him. For if the \$1.25 and subsequent \$1.00 brush cuts are to become a mark of distinction, not money or power or family can secure it for a man. You see—the barber says it, so it must be true—in order to qualify for a brush cut you have to have not only the \$1.25 but also the kind of hair suitable to it. Now, only nature provides the hair. You must have "good coarse hair," hair that like to stand "up".

As we sat in the chair, we mused about the democratic structure of Canada and wondered for its mighty frame, perhaps to be brought crashing down by the snobbery of hair cuts. We were getting, by the way, just an 85 cent kind.—Peterborough Examiner.

The Sink
Keep the porcelain sink looking immaculate by cleaning with a little kerosene added to soap water. It takes so little time and is such an easy method, it can be done frequently.

Watermelon
Watermelon can be preserved for winter by taking a ripe melon and giving it a good coat of shellac. Bury it in a tray of sand, and it will keep.

Removing Ties
The summer's ties can be removed by use of buttermilk applications, or a mixture of 1-ounce of glycerine, one ounce of rosewater, the juice of one lemon, and apply.

Ovens
Scrub the oven well after cooking with hot soda soap and scrub off the hard residue which is caked on the baking stone with an old knife.

Removing Color
If necessary to remove the color in anything before drying it, wash in hot soda or both mixed and, then rinse thoroughly if any soap is left in it. It will ruin the dye but the material is clean and free from grease.

Mildew And Yellowing
If mildew has leaked into the automobile and caused mildew on the upholstery, it can be removed by first brushing with a brush to remove the excess, and then mopping with a soap solution made slightly alkaline with ammonia.

Seawarman has infested every Government Department in Ottawa! Look at your tax bill... look at today's prices (which hidden taxes help to boost)... take a good look at the soaring cost of Government!

You pay the bills for this thieving spending spree—millions of dollars spent on administrative expenses, more millions every year, more taxes, more Government spending, more millions down the drain!

No wonder a Government Minister can say: "What's a million? A million dollars is not a very important matter!"

No wonder Government Ministers are saying now: "We can't cut your taxes!"

TRAVEL EXPENSES

The older this Government gets, the more it spends to "get around"—look what's happened to travel expenses:

1938-39 - \$ 4,725,000
1949-50 - \$23,052,346
1953-54 - \$53,558,588*

—or just about \$6,113 spent every hour of the day for travel expenses!

*Estimated

WASTE IN DEFENCE

Waste, inefficiency and extravagance in the Defence Department has been documented by the Currie Report, the McNab Report and the Auditor-General's Report... and this all of waste and extravagance is one good reason why it costs Canada \$1.1 BILLIONS MORE to put 100,000 men under arms (\$22,005 per man) than it costs the United States (\$10,756 per man) for a comparable number!

ADVERTISING & PUBLICITY

The cost of publicizing your Government and its services increases by the millions every year. Here's what it costs you:

1938-39 - \$ 624,420
1949-50 - \$ 6,828,957
1953-54 - \$10,003,978*

—\$1,142 every hour of the day for publicity!

PROPERTY DEALS

The Government squandered \$4,000,000 on 500 hats of a military cap. One year later, these were dismantled—they had never been used! The Government rented office space for \$126,500—and never occupied the space! For one building designed to cover 21 acres, including surrounding grounds, the Government bought 281 1/2 acres of pasture-land on \$24 an acre!

"WASTE" CURRIE REPORT

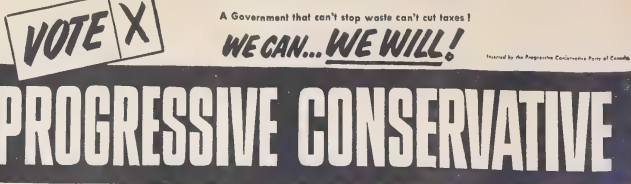

These quotations are from Col. G. S. Currie's Report on the shocking conditions in the Defence Department: "A general breakdown in the system of administration, supervision and accounting... Accounting records in a chaotic condition and of little use in determining the nature and extent of irregularities... Waste and inefficiency far more costly in loss than that covered by actual dishonesty!"

"CHAOS" AUDITOR-GENERAL'S REPORT

The Auditor-General is responsible for the Defence Department. His annual report is an impartial survey of Government financial operations. His Report presented this year stated: "There are chaotic accounting methods in the whole Department of National Defence... No civilian authority answerable to Parliament exercises direct control over procurement (of stockpiled defence materials)... In addition, the Auditor-General reported ten specific irregularities requiring slip-shod administration in the Defence Department."

"EXTRAVAGANCE" McNAB REPORT

The McNab Report was made to the Defence Department four years before the Currie Report. His findings of waste, extravagance and inefficiency in administration were ignored. When the Progressive Conservative Party asked that the Report be made public, the Government DENIED THE REPORT HAD EVER BEEN MADE. But when Mr. McNab stated that he had made a report, the Government "discovered" it but STILL REFUSED TO MAKE IT PUBLIC!

A Government that can't stop waste can't cut taxes!

TOM GRISEK PITCHES COMBINES TO 8-3 WIN OVER CARRUTHERS

Tom Grisek pitched his first complete game last evening for Combines and set Carruthers down with but three runs and four hits. The Combines won the third series to date with Carruthers at three games.

Grisek, wearing a grey game, the showmaker from Lindsay, hit four strikeouts, but was left on base in three times as the top three batters only earned one hit between them.

Grisek batted around for a while, then pitched to a better, his club, in the eighth.

Don Daynes pitched six innings for Carruthers and after a two-out, four-run first inning, gave two runs to the seventh. Woody Richey pitched three off to the seventh and allowed three hits and two runs in the seventh and eighth.

Cotton Takes On A New Look For Fall

Harold Williams proved last evening that they have not lost their touch as far as Bobcaygeon is concerned, although they had to come from behind to do it. Bobcaygeon scored their only run in the first inning and held the lead until the sixth, before Walkwoods tied it up. In the seventh, the party was over, as the home team scored three runs, three singles, plus two errors, which added seven to the score, before the game ended with two out.

At Trux the Walkwoods had but two strikes and a triple in three times at bat. Bill Parker scored a little ahead of Art in the sixth seventh.

Harold Williams was aided for eight hits, three by Bryce Adams, but bore down in the clinch to leave eight men stranded.

With two men out in the fifth, Bobcaygeon rallied for three consecutive singles, before Williams struck out the Bobcaygeon pitcher and left three stranded.

Williams struck out seven to ending the Bobcaygeon hurler in their zip-and-six pitcher's battle. Bobcaygeon had six hits in the first six innings and one run, and left six men on base. Walkwoods had four hits over the same span, one run and left four on.

Remove all branches growing where leaves join the main stem of stalked tomatoes.

Tomatoes on Fence Yield Most Food for Space Used

Tomato plants, grown to a single stem and supported on stakes, produce more food per square foot of space occupied than any other vegetable.

They deserve a gardener's best care, and this should begin by planting them properly after all danger of frost is over. Do not let high temperatures before frost has ended, persuade you to take a chance, from which there is no return.

They deserve a gardener's best care, and this should begin by planting them properly after all danger of frost is over. Do not let high temperatures before frost has ended, persuade you to take a chance, from which there is no return.

Two varieties should always be grown, one early and one late. An early variety yields well, but a heavy yield in midsummer or early fall, however yields less well than late varieties.

Single stem plants are the best to buy, rather than older, taller and more spindly specimens. Plant one to 12 inches apart. The support will be given by the main stem and strongly anchored, to resist wind.

A single stem plant may be trained around a stake, which is tied at top and bottom. To keep a plant in its support, use a strip of cloth, or a large, flat cord which will not rot, looped loosely around the stem.

Plant one to 12 inches apart, two stems in three cases after 12 inches apart. Select one stem branch, in which you expect the most fruit, and allow it to grow as the second stem, pruning off all side branches.

Shower Tendered Rita Maloney

A miscellaneous shower was given in honor of a bride-to-be, Miss Rita Maloney, by Mrs. Omer Boucher and Mrs. John Lynch, joint hostesses at the bride's home. Guests present were the bride and girls of the section, E. & N. 1, where Miss Maloney has made so many friends during her two years she has been there. A few others were present, too, including the bride's mother, Mrs. Rita Maloney, and the groom's mother, Mrs. Jack Twelvey.
The evening was spent in making a bride's book and in playing bingo. The bride girls carried in three beautifully-decorated baskets of gifts to their teacher, whom taken by surprise gave a very loving "Thank you" to everyone.
Mrs. Stewart Enderton and Mrs. Jack Clarke were in for the very delicious lunch that followed.

The auto, driven by 21 year old William Smith of (Browning Avenue) Toronto, went out of control while rounding a curve on Highway number 11 where it passed through the village. The car crashed into the wig-wag standard, snapping it.

The driver and a passenger, Anthony Gaylord, of Gould Avenue Toronto, received severe facial lacerations in the crash and were given medical treatment.

Dainty corsages were pinned on the grandmothers and each guest was presented with a small gift in honor of the day. Mrs. J. Griggs gave a humorous reading "Grandmother Washday Wisdom" definitely years gone by, not what a modern grandmother would do. Mrs. C. Palmer also gave a reading of "Grandmother." Stereoscopic views of Grandmother's day were passed around dealing with courtship, marriage and matrimony. A most delicious lunch was served by the grandmothers, after which several snafos were taken of the grandmothers. There will be two more meetings during the summer months. It was announced. Plans are underway for the 50th anniversary celebration in September.

tor of the Burys Organ Mission Field and well known to all. Mr. Jull bared his remarks on the topic "Fun of the Minister." A duet sang by Eric and Esther Coulter. Mr. Beharry, the student minister, and a native of Trinidad gave an enjoyable account of Agriculture in Trinidad. A quartette "Take the Name of Jesus with you" by James and Marilyn Johnston. Joyce Hume and Bernice, the talker, were enjoyed. Katharine, the singer, gave a vote of thanks to all taking part to make the evening a success.

Devotional Exercises with Mary Tierre reading the Scripture, a prayer by Mr. Beharry and the singing of "Blest be the tie that binds" brought an enjoyable ending to a close.

Thinks Lindsay Should Do More Self-Advertising

A man from Niagara Falls, who has been visiting in Lindsay, does more to make itself known to residents of New York State and adjoining areas. A member of the Lindsay district, the late Thomas Chubb was born north of the town and left here in 1904 to settle in U.S.A.

"I always had a soft spot for my hometown and I am sure that I think it should be better publicized among prospective visitors to the Kawartha district," declared Mr. Chubb. "It is the hub of the Kawartha than Peterborough, which claims to be," he added.

Graham Takes Punch At Provincial-Federal Tieup

The Post queried the Liberal campaign committee today in order to get their opinion on the election after a flurry of excitement there. About 12:30 a.m. Saturday morning, after taking the position of the Liberal campaign committee, the Liberal candidate is gaining ground rapidly both locally and in the whole country for a number of reasons—(1) He has continued to travel to many towns in the province of Ontario in order to conduct for widely trustworthy statements. (2) He has results of knowledge of the problems requiring solution is rapidly becoming known. (3) He is doing more the truth that this is NOT a political campaign and that he is not interfering but will co-operate fully with the Ontario government.

Merchants Win 12th Game, Edge Cobourg Here 11-10

Lindsay Merchants won the eighth game of the season last night when they edged Cobourg 11-10.

To take the win the Merchants had to come from behind to win the game. The Merchants added the winning run in the sixth.

In the bottom of the sixth West, drove in Jewell from first. When he belated a grounder at Tuppitt at third, Tuppitt booted the ball which continued into left field and Junior West rounded third from first. The ball was thrown in to the infield and no one seemed to be around to field the ball so it went on, leaving the game finished with the ball breaking right and the fielding error of Tuppitt walked off the diamond as rallying: Cobourg made another inning.

Umpire Johnson at the plate however did not call the game at all time and Junior West was sent back to center. When further arguing appeared lively, Umpire Johnson called the game for darkness with the score standing at 11-10 Lindsay. Joe Lowery started on the mound for the Merchants and seemed to have control trouble. The Cobourg

COUNTY BRIDGE COMMITTEE RE LANSBY STREET BRIDGE.

In an issue of the Lindsay Post a few weeks ago, the County Bridge Committee endeavored to take credit for the Dominion Government Grant on this project. This is untrue.

Mr. Frank Weldon, County Clerk was instructed to write Mr. Hodgson, M.P. to make appointments with the Minister of Transport, which he did, and he also made our reservations at the hotel.

Mr. Hodgson met us on our visit to Ottawa and introduced our committee to the Hon. Mr. Cherrier.

We trust that there will be no more attempts by the Liberal organization to steal credit from the County Bridge Committee or make political capital out of this project.

Who knows what party we will have to deal with after the next election.

TEST-DRIVE the

FORD

you'll go

How often have you admired a Ford going by... admired the sleek beauty of its lines and the quiet, responsive way it outpaces other cars in traffic? Perhaps you've said to yourself, "It'd like to get behind the wheel of one of those!" Well, your desire extends a permanent invitation for you to do just that. Come in and test-drive Ford—then you'll see for yourself all the things that make Ford worth more where you buy it... worth more when you sell it.

When you experience Ford's "Wonder Ride" you'll think you're driving a much bigger car—and a much more expensive one. And if you haven't gotten around to trying a V-8 engine before you're in for a thrill when you feel the smooth, eager power of Ford's great 100-hp. Six-cylinder. Admire the view as you drive along—it's clear and unobstructed, thanks to Ford's Full Code Visibility. Notice how easily Ford handles, with Fordcraft™ Overdrive or Synchro-Shift. Add up all the things you get in Ford that most expensive cars make—like the change to Ford.

Mr. Hodgson met us on our visit to Ottawa and introduced our committee to the Hon. Mr. Cherrier.

We trust that there will be no more attempts by the Liberal organization to steal credit from the County Bridge Committee or make political capital out of this project.

Who knows what party we will have to deal with after the next election.

COUNTY BRIDGE COMMITTEE RE LANSBY STREET BRIDGE.

In an issue of the Lindsay Post a few weeks ago, the County Bridge Committee endeavored to take credit for the Dominion Government Grant on this project. This is untrue.

Mr. Frank Weldon, County Clerk was instructed to write Mr. Hodgson, M.P. to make appointments with the Minister of Transport, which he did, and he also made our reservations at the hotel.

Mr. Hodgson met us on our visit to Ottawa and introduced our committee to the Hon. Mr. Cherrier.

We trust that there will be no more attempts by the Liberal organization to steal credit from the County Bridge Committee or make political capital out of this project.

Who knows what party we will have to deal with after the next election.

Reg. Edmunds Wins Award At Ball Game

Bethany (P.M.) — Reg. Edmunds pitcher for the Bethany Baseball Club, is winner by \$2.00 when Friday night's game. His long hit, only home of the game landed well over the south fence into the lap of Henry Jakeman. Mr. Jakeman, an ardent sports fan, offered the award and it was the first time it has been presented. Old timers are remembering a similar award offered by his father, the late Walter Jakeman, which was won by Bob Ryer.

The game between Blackstock and Bethany in the North Durham League was a heated "contested" battle. Owing its playing, a dispute arose over a play on second base over which the umpire disagreed, and teams and fans alike getting into a heated argument. Blackstock team refused to return to the field to finish out the seventh inning.

The score at the end of the eighth 12-1 for the visitors. Blackstock led off with a run, scored 2 in the second, 5 in the fourth and 1 in the fifth. Dymart their six batter. Ned Ryer in the second, O'Connor in the first.

The Bethany team scored 2 in the first, 4 in the third, 3 in the fourth and 2 in the sixth. Edmunds had the lead in the seventh, 10-1. In the eighth, 12-1. In the ninth, 13-1. In the tenth, 14-1. Hodgson Says Liberals Fear Sins Of Office

Clayton Hodgson says he doubts the Liberals are worried less than they claim they are, to a statement issued to the press today, Hodgson declared: "Frankly, I think the Liberals are worried that their sins are beginning to find them out - not only in this riding but all over the country. Otherwise, why would they be shouting so much? Every one of them, from the brass hats down, is holding out the Conservative whip and saying what they say, or it's impossible to cut taxes by 500 million dollars without doing this or that, or there hasn't been any waste or extravagance. With all this in being, why would they be so nervous, why the Hon. James Gardiner, Minister of Agriculture in Mr. St. Laurent's government, frankly admitted, when speaking recently in Dubu, Sask., that Mr. Drew was right when he said that the Federal Government collected 300 million dollars a year more than we expected? Then we have External Affairs Minister Lester Pearson conceding in a speech yesterday that 'there may have been waste in defence expenditures' - and there have been other similar admissions."

You gave him this job to do

and St. Laurent's winning RESULTS!

In 1949 the Canadian people expressed their confidence in St. Laurent and the Liberal program. This glance at the record reveals some of Canada's tremendous accomplishments under St. Laurent's leadership. No other country has fought a war, balanced its budget, reduced its debt, cut taxes—all at the same time.

Now there's another big job ahead. And Louis St. Laurent has proved that he, more than ever, is the Canadian best suited to do the job.

Promoting employment and prosperity

More Canadians working for higher pay than ever before... New records established in national production, national income every year since 1949.

Developing our trade

Old markets expanded, new markets opened up... Canada third largest trading nation in world... Exports trade at all-time high... Negotiated mutual tariff concessions with 94 countries—a practical way of freeing international trade.

Expanding our industry

Liberal policies have encouraged rapid economic growth... Unprecedented development of resources... Consumer purchases doubled since the war... Investment in new plants and equipment running over \$5 billion a year.

Strengthening our dollar

Budget balanced... National debt reduced... Inflation brought under control... Taxes lowered... Canadian dollar strong.

Supporting farming and fishing

These basic industries aided by trade agreements, floor prices... New low-cost insurance plan extends owners of smaller fishing vessels... Farm production and income at record levels.

Fostering good labour conditions

New federal legislation prohibits discrimination on grounds of race, colour or religion... Unemployment insurance paid off in over 100 million dollars... Special efforts to help disabled workers to find useful and satisfying employment... Time lost from strikes at low point.

Working for National Security
